CUSTOMER TESTIMONIALS

We have installed solar in 4 of our facilities with Freyr Energy and our energy costs has reduced substantially. Our consumers are already appreciating our efforts towards sustainability & net-zero.

Uttam Malani | Hyderabad, Telangana

I have already got my money back from solar system which I installed 3 years back. I used to get bills of ₹8,000 earlier and now its is only ₹300. There is no maintenance required either.
